Gentlemen:

Thank you for sending the candidate questionnaire.

It has been my policy and practice in the past to try to look at each proposal as it is individually submitted to me and the legislature. I have found that it is difficult to commit to a piece of legislation that I have not had the opportunity to properly evaluate its effect on my district as well as the state overall.

I will be glad to visit with you as each piece of legislation is introduced in the 82<sup>nd</sup> regular legislative session convening in January 2011.

Sincerely,

A handwritten signature in cursive script that reads "Tom".
