Re: Candidate Questionnaire

Dear TCQAE:

Thank you for your interest in the Texas House District 87 election and in my candidacy. Please know that I am a pro-life, pro-family, pro-business conservative. I believe strongly in lower taxes, limited government and sound education. In addition, I believe in protecting the rights and liberties afforded each of us under the U.S. and Texas Constitutions. My political philosophy promotes our individual freedoms and responsibilities. Please know that I personally support the arts and have for years. I do believe that studying music and other fine arts improves student performance in other academic areas.

Our campaign is now in full swing, and I am very much looking forward to a successful election in November. I have two opponents and am traveling extensively in my four-county district. I understand that you have a September 20, 2010 deadline for completion of your 2010 Candidate Questionnaire; however, I cannot return the same for your consideration by that date. Please feel free to contact me if you have any questions. I am enclosing a campaign business card for your information. Further, feel free to visit my campaign website at [www.fourprice.org](http://www.fourprice.org) as well.

Best personal regards.

Very truly yours,

Four Price  
Republican Candidate House District 87
