

Because every Texas student
deserves a quality fine arts education

Every Texas student should receive:

- A well-balanced education
- Quality fine arts instruction
- Protected instructional time for arts education
- Opportunities to pursue their passion

What is GoArts?

The GoArts campaign is sponsored by the Texas Music Educators Association in conjunction with the Texas Coalition for Quality Arts Education, a coalition of more than 50 organizations whose mission is to promote fine arts in our Texas schools. We are advocates for education policies, primarily at the state level, that ensure all Texas students have opportunities to study music, art, dance, and theater. We provide the public as well as policy makers with information about the many ways that arts education benefits our students and our state.
